

Welcome Dinner for Chinese Mayors' Delegation to Portland
Wong's King Seafood Restaurant
Friday Evening, September 24, 2010

You are cordially invited to attend a dinner honoring 25 high-ranking Chinese government officials. The delegation comprises of mayors and vice mayors from cities across China, as well as directors from China's Ministry of Housing and Urban-Rural Development (MOHURD), and the Secretary-General and Director of the National Academy for Mayors of China. The objective of the visit is to familiarize China's urban decision makers with Oregon green building practices and urban sustainable technologies including energy efficiency and waste to energy and introduce them to Oregon firms that export technology, services, and products that satisfy the identified and developing standards for China's buildings and municipal infrastructure. This delegation is being sponsored by the U.S. Trade and Development Agency (USTDA) www.ustda.gov in conjunction with the U.S. Department of Energy (USDOE) www.energy.gov. Representatives from USTDA, USDOE and US Embassy in Beijing will also be attending this welcome dinner.

Friday, September 24, 2010

6:00-7:30 pm

Wong's King Seafood Restaurant

8733 SE Division Street

Portland, OR

\$45 per person

Please RSVP by Monday, Sept 20th 5pm to:

Northwest China Council

www.nwchina.org

The visit will provide the Chinese delegation with the opportunity to witness best practice applications in the Oregon and support the Chinese Mayors Low-Carbon Leadership Program led by the U.S. Department of Energy (DOE) in cooperation with China's Ministry of Housing, Urban and Rural Development. This Program sponsors a series of trainings held at the National Academy for Mayors of China in Beijing for mayors from around China and covers sustainable urban planning, development and enforcement of energy efficient building codes, distributed renewable energy, waste to energy electric, vehicles, smart grid technology and demand-side-management solutions. The program also supports the city EcoPartnerships established under the US-China Strategic and Economic Dialogue.
